

2024 Christmas in Clarkson City Park

It's almost time for the City of Clarkson's Third Annual Christmas in the Park event. You are invited to participate in this fun, exciting holiday event for our community at Clarkson City Park. It is \$10.00 to participate. You must register by December 5th so you can reserve your spot. (The fees collected will go to help cover electric costs. Make checks payable to City of Clarkson).

*Remember your display does not have to be *huge or expensive*—*creativity* goes a long way.

*Displays can be set up starting the weekend of November 23rd
and must be completed by Thursday, December 5th!*

We will turn on the displays during our Christmas Tree Lighting Ceremony at the City Park on Friday, December 6, 2024 at 6:00 pm. The Christmas in the City Park displays will then remain turned on throughout the entire month of December. All displays must include an illuminated banner or sign with the name of your business/organization. You will be responsible for checking on your display throughout the month in case the wind has blown it down or any lights have gone out. You will also be responsible for taking down your display within the first two weeks of January. If you have any questions, please call Clarkson City Hall during regular business hours at 270-242-6997, extension 1, email clerk@clarksonky.com, or visit cityofclarkson.com.

The City of Clarkson cannot be held responsible for any vandalism or damage to displays.
